Meet 'n' Greet/ Induction Ceremony

I'd like to start with saying thank you to the many parents who took the time out of their day to join us for the Meet 'n' Greet breakfast. The breakfast was followed by the Student Leadership Induction Ceremony. Harper McNicol and Holly Plant did a great job of hosting the ceremony; they show great promise as senior leaders of the school. Parents who attended were given an information pack. These were sent home with students for the parents that couldn't be present. Hopefully the information was useful to those who are new to the school or had questions?

Photos next Thursday March 11

Photo Day is always a fun day. It's always fun to see students put a little extra effort into their appearance on the day. The students are doing a great job at wearing their uniform appropriately, the only reminder is that long hair should be tied back. Photo envelopes will go out this week. These should be returned to the front office by Tuesday March 9. If you are paying with cash this should be placed in the envelope provided and sealed. The office staff do not handle the money, it goes straight to the photographers on photo day. Family photo order forms are available from the front office.

Student Led Presentations

The impact of Covid derailed a few of our plans last year, one of the most important ones was the intention to add Student Led Presentations to our reporting process. In addition to providing regular feedback about student progress on Compass and a written report mid-year and at the end of the year, parents are invited to attend a Student Led Presentation. The presentations are an opportunity for students to share their achievements and challenges and to reflect on how they can contribute to a successful learning journey in the presence of their home group or subject teacher, their parent or significant other person. We look forward to seeing you all on Monday March 29. Appointments can be made on Compass with Home group teachers from 2.00pm and with subject teachers available from 3.05pm. Alternatively you can phone the front office.

School Council

Nominations for School Council Representatives are still open. I'm pleased that some expressions of interest have been submitted however I encourage more parent/carers and community members who want a positive future for Manangatang P-12 College to put themselves forward. It is important that there is a membership of strong and positive people who will ensure that Manangatang P-12 College remains a viable setting for students from their Foundation year through to Year 12.

Our school council meets 9 times a year, we miss the November meeting due to harvest. At this stage we meet on the third Wednesday of the month at 7.30pm. The meeting is preceded by the Finance subcommittee meeting at 5pm and then the Facilities meeting at 7 pm. We finish at 9.30pm. These arrangements will be reviewed with the new council. Council members can 'zoom' if travel is a problem.

Speech Pathologist support for P-2 students.

We are pleased to announce that the Speech Pathology in Schools initiative will continue in 2021. Last year Speech Pathologist Jessica Curnow shared her specialist knowledge and skills with our teachers to support them to develop strategies and skills to work with children who have speech, language and communication needs. Jess also supported staff to identify appropriate referral pathways to address individual children's needs.

Diaries

Please check your child or children's diaries. This will give you a good indication of what homework has been set, if there are upcoming events and it gives you a chance to send messages back to the teacher.

Compass App.

Don't forget to download the **Compass App**. You will need a parent password. Compass will allow you to see what work your child is doing in classes on a daily basis. You can get your password by calling the front office.

Where are they now?

Last year I gave every student cosmos seedlings as a Christmas gift. I was told that they were pinks and whites and would grow to 30cms tall. Those of us who were able to successfully transplant them know this isn't true (sorry!). I would love to see some photos of yours about a metre tall, orange and yellow cosmos plants if you have them.

Attendance

Year levels Foundation, 2 and 10 achieved 100% attendance in the last week.

Happy and safe weekend

PRIMARY DIVISION SWIMMING

Primary Division Swimming Team: Lily Finch, Maddi Rollinson, Aidan Plant, Jasper Plant, Zach Lehner, Douglas Jones, Luke Thompson, Darcy Plant

Last Monday the above 8 students travelled to Swan Hill to compete against students from other schools in the district. It was great to see the team encourage each other throughout the day. For many, it was their first-time swimming in a 50m pool. However, the nerves were not evident when they hit the water. All our swimmers performed really well, with many achieving personal bests. Congratulations to you all.

Douglas Jones placed 2nd in 11 years breaststroke, Luke Thompson placed 2nd in 12 years backstroke, the 9&10 freestyle relay team made up of Lily Finch, Maddi Rollinson, Aidan Plant and Jasper Plant placed 2nd. Congratulations on the great achievements.

Special mention to Aidan Plant placing first in his first ever division swimming in the 10 years breaststroke. Aidan has now qualified for the Regional Finals to be held on the 18th of March. Well done Aidan.

Thank you to Nicola Kydd for looking after the students, to Tarryn Plant for volunteering to time-keep and to all the parents for supporting their children on the day. It is very special to have you share in the experience.

I would also like to thank Tim Croft (from Swan Hill Primary) and his team for the work they did to enable the event to happen, following the disruption of a lockdown.

SECONDARY DIVISION SWIMMING

Secondary Division Swimming Team: Jobhi Plant, Harper McNicol, Sienna Togatuki, Jorja Plant, Gabby Zanker, Alex Barker, Cooper Plant, Jayda Plant, Isabel Grant and Anders Plant.

Congratulations to our secondary swimming team who represented the MMM schools at division swimming in Mildura. The students did well in and out of the pool as they enjoyed both the social and competitive aspects of the day. Many impressive swims meant every student went home with a ribbon or two, with several students placing first to qualify for the Regional Finals to be held on the 18th of March.

Jorja Plant placed 1st in breaststroke, 2nd freestyle relay and 3rd in medley relay

Jayda Plant, Isabel Grant, Cooper Plant and Anders Plant placed 1st in the 12/13 freestyle relay

Sienna Togatuki placed 2nd freestyle relay and 3rd in medley relay

Isabel filled in for the boys 12/14 medley relay team and placed 1st with, Cooper and Anders.

Alex Barker and 3 Murrayville boys placed 1st in the freestyle relay and 2nd in the medley relay.

Gabby Zanker also stepped into a couple of relay teams placing 2nd with Jayda in the medley and 2nd in a mixed 14 years freestyle relay team.

Jobhi Plant and Harper McNicol teamed up with 2 Murrayville boys to place 3rd in both of their relays.

Anders Plant placed 1st in the breaststroke, backstroke, butterfly, freestyle and the individual medley, whilst also breaking two records. The first in the breaststroke swimming a 40.30 (old record 42.58 by G.Ward from 1993) and the second one was in freestyle swimming a 32.44 (old record 32.55 by J.Donnan in 2002). Anders was also awarded the 12/13 boys age group champion. Well done Anders.

Many thanks to Nicholas Vine, Natalie Plant and Ann Grant for their assistance in the running of the day and to the Ouyen team who year after year manage the recording side of the day. Thank you also to Tarryn Plant for taking the photos.

ALL SCHOOLS SWIMMING CHAMPIONSHIPS

It was great to have 8 students represent the school and make the most of the opportunity to gain personal bests and be able to practise in a 50m pool prior to the division carnivals.

MILDURA ART GALLERY

Visiting the Mildura Art Gallery was a surprise. Students had the opportunity to visit the exhibition “Art Directions 2020”. This is a celebration of the diversity and skills of Sunraysia’s art educators. “Art teachers strive to inspire, nurture, motivate, role model, demonstrate, encourage, recognize, affirm, stimulate, connect, organise, understand, adapt, identify, listen...They particularly love encouraging inquiring minds to explore the possibilities of living a creative life.” Students saw a variety of mediums used with different messages portrayed. They then completed an art analysis of their favourite art work.

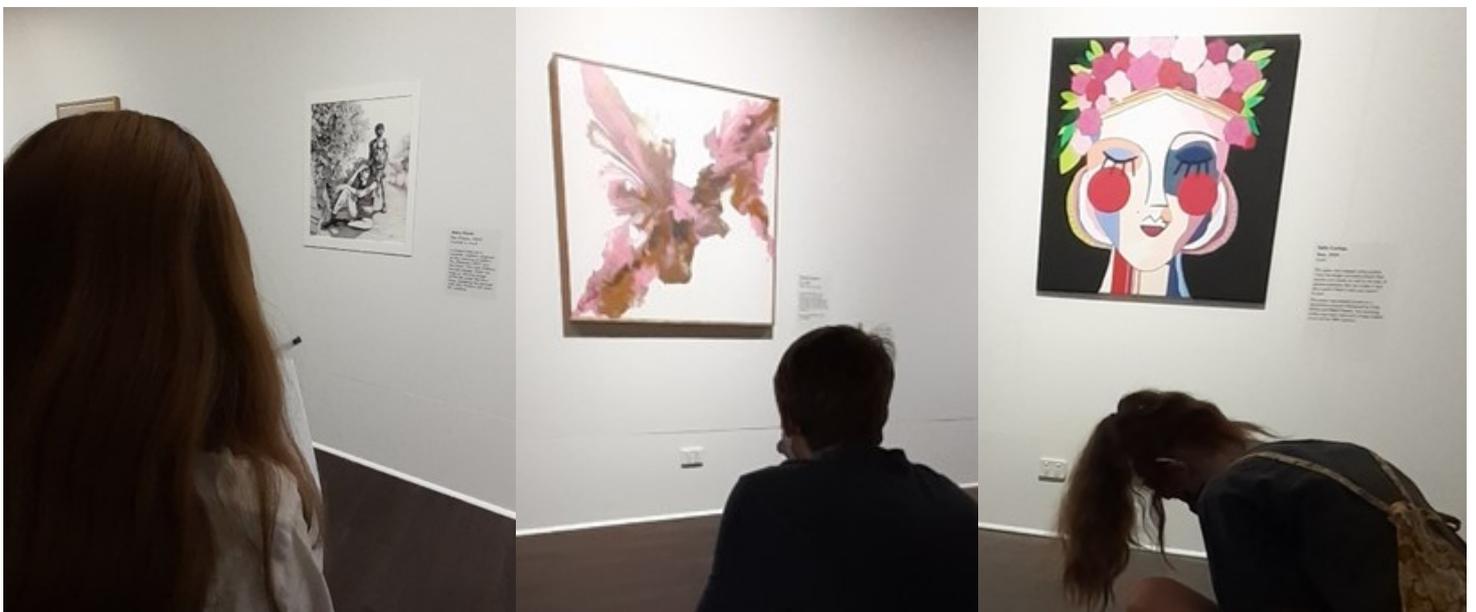

The second Gallery visited was the Riverside Gallery. There they were fortunate to have a private viewing of the local artists’ works. The artist present encouraged the students to continue with art projects as it made “people become more observant of the things around them”. Once again the variety represented was huge. Students were able to buy copies of the artist’s work and were gifted a photo sample as a card.

Overall, the experience was a great opportunity for students to interact with different art works from different cultures and different viewpoints. They reflected on how particular artworks made them feel and provided ideas of how continue to develop their own artistic style.

Thanks to CAP funding to enable these students to enrich the Art Elective Program.

Annual Secondary School Immunisation Program

The Secondary School Vaccine Program offers free vaccinations to Year 7 and Year 10 students. These vaccines provide protection against:

Year 7 students

Diphtheria, tetanus and whooping cough (pertussis) - one injection

Human Papillomavirus (HPV) – two injections spaced by a minimum of 6 months

Year 10 students

Meningococcal ACWY – one injection

Parents/guardians of Year 7 and Year 10 students should look out for the vaccine consent forms coming home from school with your child. You need to read the information, complete and return the form regardless of whether your child is being vaccinated at school.

The Swan Hill Rural City Council immunisation service may contact you about the Secondary School Vaccine Program. Schools are authorised to provide basic parent/guardian contact details to local councils for this purpose. Contact the school by 28 February each year if you do not want your contact details given to the Swan Hill Rural City Council immunisation service.

To learn more about the Secondary School Vaccine Program, the vaccines, the diseases they protect against, or how you can prepare your child for vaccination,

HAT CLUB (HOMEWORK & AFTERNOON TEA)

A supervised homework session will run each Wednesday afternoon from 3.10pm- 4.20pm, starting Wednesday 24th February. Afternoon snack will be provided from 3.10pm.

This program is open to any student who would like assistance with understanding subject content, essay writing, mathematical concepts or who just need a quiet place or internet access to complete work. Staff are available to assist in all curriculum areas. VCE students are strongly encouraged to attend as VCE staff are making themselves available for additional support.

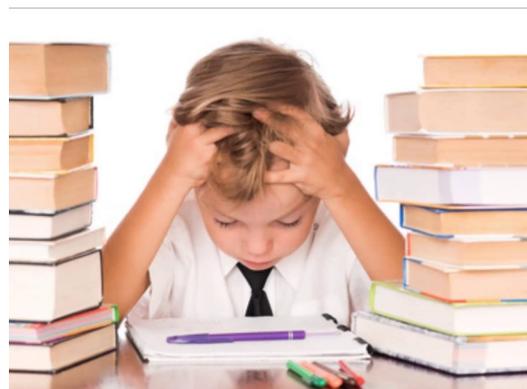

Students attending will meet in the library and different rooms will then be allocated dependent on numbers. If there is an increased demand for the program additional sessions may be made available in the future.

If anyone has any ideas for a unique and appealing name for Homework Club please put them forward. I will offer a prize for the best name .

Please contact me at the College if you require additional information.

WELLBEING UPDATE – Kim Critchley

BREAKFAST CLUB is up and running successfully with the wonderful support of Sarah Plant and the student helpers. We have cereal, milk, fruit cups, toast and fresh fruit. Would it be great to offer this program every morning – thoughts? Do your kids talk about this? Any feedback would be welcome.

A great way to reflect on our week or even our day is to make a note of what works, what are two things you have done well this week and what is something you would do differently? I love to do this every day, celebrating what I have done that has gone well and what I might now on reflection do different. What are my learnings from my day and remembering the positives in my day.

Today I feel I have completed my to do list more than I have added to it and I have taken time to eat my lunch. What I would do differently is drink more water throughout the day.

Just to follow up on one of my previous updates on school attendance, these charts could contain beneficial information. These could be a discussion point if you're having issues with your child's school attendance.

EVERY DAY COUNTS ...

A day here or there doesn't seem like much but ...

When your child misses just ...	that equals...	which is...	and therefore, from Prep to Year 12, that is ...	This means the best your child can achieve is ...
1 day a fortnight	20 days a year	4 weeks of school	Nearly 1½ years of school	Equal to finishing Year 11
1 day a week	40 days a year	8 weeks of school	Over 2½ years of school	Equal to finishing Year 10
2 days a week	80 days a year	16 weeks of school	Over 5 years of learning of learning	Equal to finishing Year 7
3 days a week	120 days a year	24 weeks of school	Over 8 years of learning	Equal to finishing Year 4

Give your child every chance to succeed ...

Don't let the opinions of others hold you back.

What you're feeling is valid. You're allowed to say, "No."

You are capable of amazing things.

You have so much to offer.

What if we talked to ourselves the way we talked to our loved ones?

It's OK to rest.

Your worth is not defined by others.

Look how far you've come.

Remember to give yourself grace.

FREE WEBINAR

If you'd been a parent from the 50s, 60s, or 70s, you may have reddened a few bottoms in your time.

Spanking (or smacking) was the normal way of punishing or "correcting" a child's behaviour.

Thankfully, we no longer see physical discipline as the go-to method today. Study after study has shown how ineffective it is, along with the psychological damage it can cause.

However, in a lot of cases, we've replaced it with something that's not much better: yelling at our kids.

The truth is that there are far better ways to guide your children into listening without spanking or screaming. That's what we're diving into with the next Happy Families webinar.

In [The Screaming Spiral: Why We Yell At Our Kids... And How To Break Free](#) webinar, we'll explore why parents blow up, and more importantly, how to kick the habit while still getting our kids to cooperate.

Here's a little of what we're going to cover:

- The **5 reasons your child isn't listening to you** despite repeated requests
- How our **children train us to repeat ourselves** - and yell... and why
- **What the research says about yelling** and the impacts on children and parents
- **Strategies** for getting the kids to pick up their mess, put their plates in the sink, leave the park without tantrums, and hang their towels - all **without you yelling**
- **10 pro-tips and listening hacks** that will LITERALLY change your life

The webinar is happening on Thursday, 11 March, at 8pm AEDT.

Hope to see you there!

P.S. If you read this with a rising sense of guilt, please know that yelling is a normal response to stressful parenting situations, and we often do it without thinking. The best way to change that "automatic" behaviour is to learn more and use that to re-shape your habits, which is the very reason I'm hosting this webinar.

YOUTHSPECTIVE 2021 GUIDELINES

We invite young people between 12 - 18 years of age from across our region to participate in the 2021 YouthSpective Photography Competition by entering **three** of your best photographs depicting this years theme: **MOVE**

Photographs must be your original work, no Photoshop – so think outside the square, surprise us with your ingenuity, and have fun creating!

There are two age group categories: Judges Choice 12-14 years and Judges Choice 15-18 years as well as a People's Choice Award in both age groups.

Please note your age as of the closing date for voting which is 5pm Monday, 26 March 2021.

CONDITIONS OF ENTRY

Photographs must be submitted via email to library@swanhill.vic.gov.au.

Emails **must** include: photograph/s, the photographer's name, age (see above), the title of the entry and a daytime phone number.

You may enter up to **3** photographs.

Colour or black and white images are acceptable.

Your entry must be certified as being original and unaided work and any source imagery must be indicated at the time of entry. Please note that an email from a teacher stating this will be sufficient to cover all entries from a school.

All entries must be submitted by 5pm Friday, 26 March 2021.

Judging will be conducted by local photographer, Glen Whitelaw in conjunction with representatives from NOVO Youth Council.

The judge's decision is final.

People's Choice voting, in both age categories, begins on Monday, 29 March and will take place on the Swan Hill Regional Library's Facebook page <https://www.facebook.com/swanhilllibrary>. One 'like' will equal one vote. The picture with the most 'likes' wins. The closing date for voting will be 5pm Monday, 12 April 2021.

Photographs of the winners together with their names and ages may be used in publicity where the parents or guardians of the winners have given their consent.

The rules of the competition may not be changed or modified and will be strictly applied.

All personal information supplied will be used solely for the administration and management of the Swan Hill Regional Library YouthSpective Photography Competition.

Winning images may be selected for use in print or on the internet for Swan Hill Rural City Council and local publications.

The major prize for the 15-18 years category is a GoPro HERO7 Silver 4k Action Video Camera - includes 1 year product care - valued at \$347.

Prizes for each of the remaining category winners is to be decided by NOVO Youth Council.

Winners will be announced during Youth Week 16 - 24 April and presentations made at the Swan Hill Regional Art Gallery on Wednesday, 21 April 2021 at 5pm.

Winning entries will be displayed at Swan Hill Regional Art Gallery Access Gallery following the presentation during May 2021, Swan Hill Library June 2021 and Robinvale Library July 2021.

Thank you to our sponsors: NOVO Youth Council

YOUNG WRITERS AWARD

SWAN HILL REGIONAL LIBRARY

The Young Writers Award Writing Competition is an exciting opportunity for Prep to Year 10 and multi-class school children across the Swan Hill district.

The competition is devised to inspire pupils to write a narrative piece of no more than 500 words for primary students and 800 words for secondary students. Typed entries are to be submitted on a single A4 piece of paper. Simple illustrations are allowed.

This year's theme is 'Move'. A writing prompt is printed overleaf if needed.

Schools are invited to submit up to five entries for each category listed below, based on a set criteria. Multi-class entries are unlimited.

Categories include: **Grade Prep, Grade 1/2, Grade 3/4, Grade 5/6, Year 7/8, Year 9/10 and Multi-class (those students who receive PSD funding).**

Prizes will be awarded to shortlisted entries and the winner in each of the seven categories.

Students from the Swan Hill Secondary College senior literature class will shortlist entries in each section.

Winners will be announced at a presentation to be held at the library during Children's Week (week four of term four), on Wednesday, 27 October 2021 at 7pm.

Shortlisted entries will be on display at Swan Hill library during November and Robinvale library during December.

Entries must include students name, grade and school and be delivered to Swan Hill Regional Library no later than Friday, 27 August 2021.

For more information, please contact Kellie at kcarlo@swanhill.vic.gov.au or phone the library on 5036 2480.

The Mildura Lions Club hosts the 'World Festival of Magic' to provide children of all abilities and backgrounds with an opportunity to experience world-class entertainment in an inclusive, accessible and safe environment where they feel free to be themselves without restriction or judgement. With a variety of acts, the show is suitable for all ages. We recommend children 9 years and younger watch with parent or guardian supervision.

*Please email the event sponsors to say a big THANK YOU for making our show possible: thankyou@iepty.com

What audiences are saying about the show...

"I had some great feedback. Some had seen the show live before and were excited to see it again. Some were looking forward to it because they had never been able to take their children to the live version due to the nature of their disabilities."

- *Rebecca Paton, Parent Support Program Coordinator, Pinarc Disability Support.*

"Thank you so much! My boys and I, the nanny and her sister, and the baby... all thoroughly enjoyed this amazing show. There was something in it for everyone. I loved the humour and the boys learning how to do the magic tricks. The nanny laughed her head off crazy at the ventriloquist at, and we all loved the amazing acrobatic performance. Thanks so much!"

Do you have any batteries that you don't want?

If so, come down to the College and drop them off behind the Music room.

We accept any motor vehicle batteries. These batteries will be sold and taken to Swan Hill where they will be recycled.

The money will then be used for College camps and improvements to the school.

Follow signs at the College to reach battery drop off.

Please place batteries on wooden pallet so it is easier to remove.
